

IIDC ASSIGNMENTS

Evaluations

IIDC supports implementers to critically analyse what worked and what did not work in order to learn from it. The technical team of IIDC individually has vast experience in conducting project evaluations and at IIDC we have so far conducted the following evaluations

- October 2018: End of program evaluation for programme on promotion of integral development in Busoga through cultural awareness-raising, dialogue, education and evangelization, implemented by Cultural Research Centre, Jinja, commissioned by DKA Austria
- March 2018: Evaluation of the project “Enhance human rights and development through ICT in Acholi region, Uganda”, implemented by BOSCO Uganda, commissioned by HORIZONT3000
- March 2018: Evaluation of the project “Strengthening institutional and community capacity to access justice and protect human rights in Rwenzori region, Uganda”, implemented by HURINET Uganda, commissioned by HORIZONT3000
- December 2017: End of project evaluation of Grow Smart using Community Led Action for Children Approach, Kamuli, commissioned by Plan International Uganda
- October 2016: End of project evaluation of the Improved Access and Completion of Quality Basic Primary Education in Lira, commissioned by Plan International Uganda

Capacity Building

We build skills in programme design, monitoring, documentation and skills development on diverse organizational development issues. IIDC has so far worked with the following organizations on different capacity building initiatives.
