

EXPRESSION OF INTEREST (EOI)

Office Interior & Exterior Design Services

About IIDC

Impact and Innovations Development Centre (IIDC) is a not-for-profit regional Technical Assistance (TA) and Learning partner organisation that works with development agencies in the public and private sectors to promote impactful and innovative programming. IIDC builds capacities and facilitates learnings to enhance the efficacy of development programming in Africa to achieve sustainable and equitable development outcomes for all.

Background

IIDC is looking to enhance both the **interior and exterior spaces** including the front office, workspaces, meeting areas, gardens, and parking spaces to create a welcoming, visually appealing, functional environment for all stakeholders.

We hereby invite qualified Interior Designers to express their interest in providing design services for this assignment.

Purpose of the Assignment

The purpose of this assignment is to identify and engage qualified Interior Designers with creative concepts and approaches for enhancing IIDC's overall office environment.

The concepts will guide a phased transformation plan to create a functional, welcoming, and visually appealing environment that reflects IIDC's brand identity, values, and professional image.

Required Qualifications and Experience

- Proven experience in corporate or institutional interior and exterior design, including reception areas, workspaces, and outdoor spaces such as gardens or parking areas.
- A strong and diverse portfolio demonstrating creativity, functionality, and attention to detail across different types of spaces.
- Demonstrated experience producing 3D visualizations, mood boards, or concept presentations.
- Ability to manage small- to medium-scale projects within defined timelines and budgets.
- Strong presentation and communication skills to clearly articulate design concepts and recommendations.
